

## CLOUD MAN PUPPET **version 2**

Recommended time frame:

1 hour P3

2 hours – 2 and a half hours P1 – 2

### **MATERIALS**

Garden Stick – 17.5 cm

Polystyrene ball 50 - 60mm  
Or ping pong ball

Card for Stencils

Good quality paper – White or Coloured

Pom poms

Cellotape

Glue Dots

Black Sharpie or Felt tip pen

Pencil, Rubber, Scissors

## Split Pins

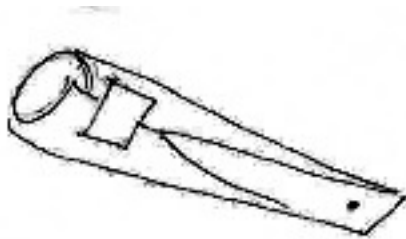

## Matchsticks

## METHOD

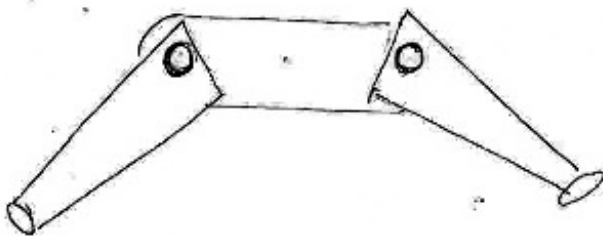

1. Draw around the stencils
2. Cut-out stencils
3. Punch holes in middle of neckpiece using pencil and rubber

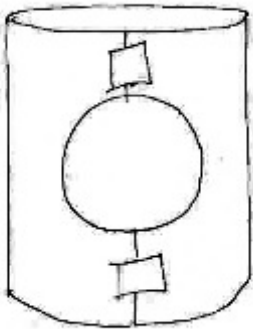

4. Fold wide end of arms together and tape into a tube shape
5. Put a hole in the top of the arm

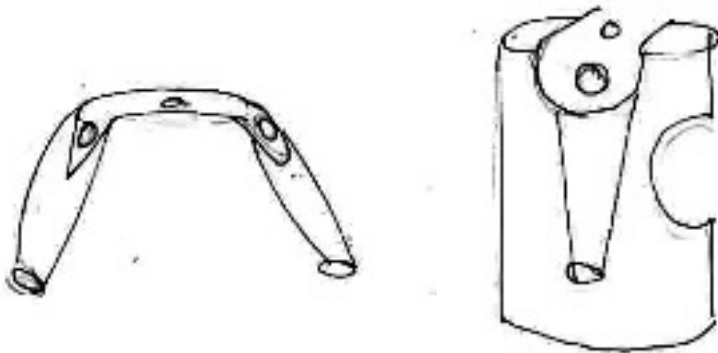

6. push a split pin through top of arms and into either end of the shoulder stencil and prise apart the split pin to secure.

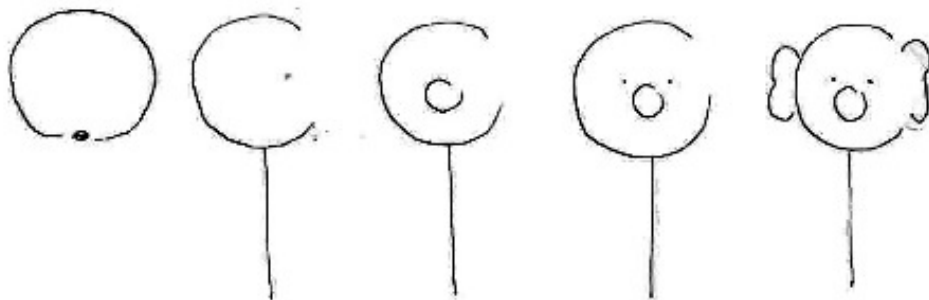

7. Assemble body piece, making it into a cylinder shape and taping.

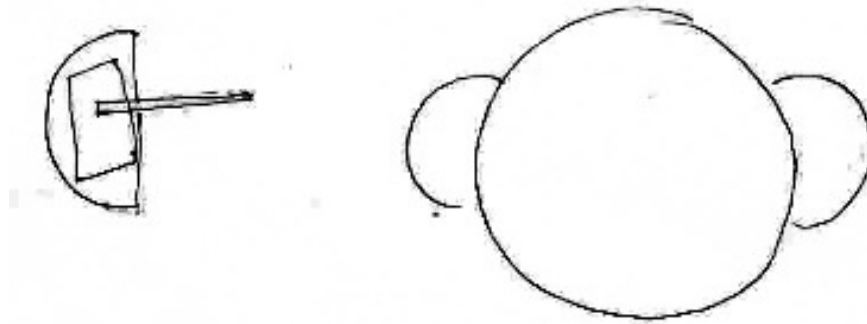

8. Bend the sides of the shoulder piece down at right angles and tape to either side of the body piece at the top with the hole at the centre to the back of the body piece.

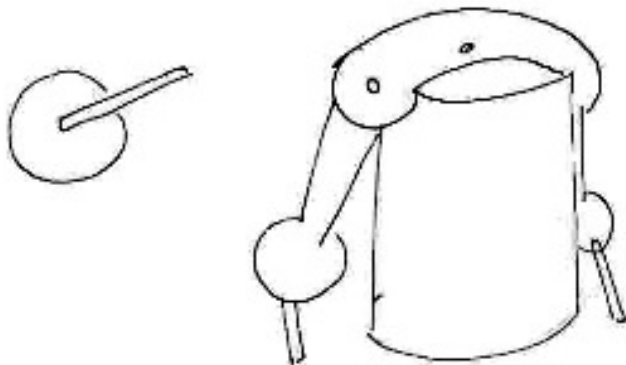

9. Push head onto the garden stick, adding a nose and eyes.

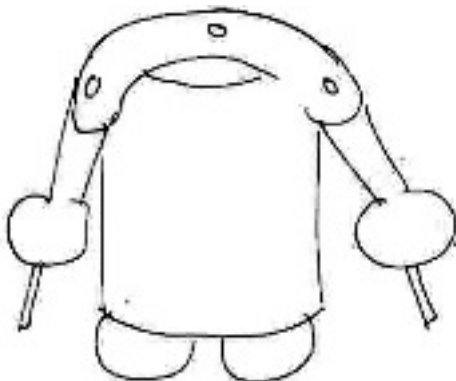

10. Tape two small semicircles onto two matchsticks and push into either side of the head to make ears.

11. Tape two small circles to two matchsticks and add to the ends of the arms to make hands with rods.

12. Take another two small circles and tape to the base of the body to make feet.

13. Insert the head and rod through the central hole in the shoulder piece.
